Frameworks for Market Strategy helps students understand how to develop and implement a market strategy and how to manage the marketing process.

Marketing activity is the source of insight on the market, customers, and competitors and lies at

Acces PDF A Framework For

the core of leading and managing a business. To understand how marketing fits into the broader challenge of managing a business, Capon and Go address marketing management both at the business and functional levels. The book moves beyond merely presenting established procedures, processes, and practices

and includes new material based on cutting-edge research to ensure students develop strong critical thinking and problem-solving skills for success. In this European edition, Capon and Go have retained the strong framework of the book, but have updated the cases, examples, and discussions to increase
