What is the

Bangladesh National
Building Code

(BNBC)? The BNBC

is a guideline for

proper construction

practices. The

Bangladesh National

Building Code

(BNBC) was first

published in 1993 to

Download File PDF

regulate the construction of buildings and maintain and uphold them to certain standards. Before the code, the only laws pertaining to construction was the Building Construction Act, enacted way back in 1952, during the Pakistan era.
