In the summer of 1988 twenty-two year old John Bostock, better known as 'Boss', returns to Liverpool from his travels with many tales to tell to friends Carl and Legger. Boss has spent four months in the U.S.A. courtesy of the 'Camp America' programme. He has gained great life experience. The greatest experience of all proves to be his encounter with Annie Haier, a young, Jewish American and fellow counsellor. The relationship begins as a friendship but develops into a deep and passionate love affair. The couple decide to plan their future together despite the natural barrier of the Atlantic Ocean. In April 1989 Boss and Legger attend the semi-final of the F.A. cup at Hillsborough. Like thousands of others they have a traumatic experience. Life is never the same again. Boss eventually suffers from P.T.S.D. and opts for counselling at the Hillsborough Centre in Liverpool. He meets fellow survivors who are racked with guilt and full of anger and begins the long climb back to happiness. In June 1990 Boss returns to the U.S.A. where it all began, to seek an emotional reunion with Annie, the love of his life.

Mai Senn knows Anthony Adams is no good for her - no matter how hard she might crush on him. She ' s valedictorian; he ' s a surf bum. She ' s got plans, he ' s got his art. Complete opposites in every way. Vinegar and baking soda, they once joked. A chemical reaction that bubbled. Yeah, they bubbled. Maybe still do. Good thing Anthony ' s got the perfect plan: two weeks to prove just how not good they are together. Whoever can come up with the worst date—something the other will seriously hate, proving how incompatible they truly are—wins. Like taking a snake-phobe to the Reptile House at the zoo (his idea). Or a cooking class where they don ' t even get to eat the food (her idea). It ' s all about the competition, and it ' s meant to help them finally crush their crushes. But it wasn ' t supposed to be so hot. Or so fun. And when Mai ' s future becomes at stake, will she be able to do the right thing and quit Anthony forever?

Using your best forensic skills, you'll draw up profiles, compare symptoms, classify and rate your crushes and fill in the graphs and charts we've prepared for you. Are you a sucker for bad boys? This book is your chance to relive the best (and worst) moments of your imaginary love life, and will make a great gift for swooning romantics everywhere.

From picture books to chapter books, YA fiction and nonfiction, Nancy Pearl has developed more thematic lists of books to enjoy. The Book Lust audience is committed to reading, and here is a smart and entertaining tool for picking the best books for kids. Divided into three sections—Easy Books, Middle-Grade Readers, and Young Adult—Nancy Pearl makes wonderful reading connections by theme, setting, voice, and ideas. For horse lovers, she reminds us of the mainstays in the category (Black Beauty, Misty of Chincoteague, etc.) but then in a creative twist connects Mr. Revere and I to the list. In a list called Chapter One, she answers the proverbial question: which chapters books are the most compelling for kids who are now ready to move beyond picture books. And who says picture books aren ' t deep? Recommended Folk Tales sort out many of life ' s dilemmas and issues of good and bad; a selection of picture books on Death and Dying introduces this topic with sensitivity; and You ' ve Got a Friend offers up books for early readers that show the complexities and the pleasures of relating to others. Parents, teachers, and librarians are often puzzled by the unending choices for reading material for young people. It starts when the kids are toddler and doesn ' t end until high-school graduation. What ' s good, what ' s trash, what ' s going to hold their interest? Nancy Pearl, America ' s favorite librarian, points the way in Book Crush.

For fans of vintage YA, a humorous and in-depth history of beloved teen literature from the 1980s and 1990s, full of trivia and pop culture fun. Those pink covers. That flimsy paper. The nonstop series installments that hooked readers throughout their entire adolescence. These were not the serious-issue novels of the 1970s, nor the blockbuster YA trilogies that arrived in the 2000s. Nestled in between were the girl-centric teen books of the ' 80s and ' 90s—short, cheap, and utterly adored. In Paperback Crush, author Gabrielle Moss explores the history of this genre with affection and humor, highlighting the best-known series along with their many diverse knockoffs. From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens, these stories feature girl protagonists in all their glory. Journey back to your younger days, a time of girl power nourished by sustained silent reading. Let Paperback Crush lead you on a visual tour of nostalgia-inducing book covers from the library stacks of the past.

From New York Times bestselling author Penelope Ward, comes a new standalone, second-chance story of forbidden love... It ' s natural to want the one you can ' t have. And for as long as I could remember, I ' d secretly wanted my brother ' s best friend, Jace. He was six years older and always treated me like the sister he never had. Fast forward a decade. We were all in our twenties now. Jace had moved in with my brother, Nathan, and me to help us make ends meet after our parents died. It was just the three of us—an odd family dynamic. Living under our roof, Jace was as bossy and protective as ever. But he certainly didn ' t look at me like a sister anymore. That was what made things so complicated. I was pretty much hot and bothered twenty-four-seven. And he was torn. The signs were subtle, at first. Like on movie night, I ' d casually rest my leg against his, and he wouldn ' t exactly shift away. Still, I assumed he would never...go there. Nathan would kill us. The knowledge of that wasn ' t enough to stop the inevitable, though. Eventually our slow burn exploded. But more than the physical attraction, we ' d developed a strong connection. We just couldn ' t get caught, right? That sounded simple. Until it wasn ' t. This is a story of forbidden love, broken trust, and an unexpected second chance.
