~~Sams Teach Yourself the Internet in 24 Hours, Third Edition, gets you quickly connected to the Internet. Learn to send and receive e-mail, find and browse Web sites, read and post to newsgroups, and apply the Internet to your everyday office and home life. Written in a straightforward, easy-to-understand style, the book avoids confusing jargon at all costs, clearly telling you just what you need to know in order to become productive.~~

~~The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.~~

~~"Richard Nixon is remembered today largely for his foreign policy and Watergate, as well as the way his electoral campaign and presidency coincided with the rise of a new conservative Republicanism. But behind these very public and controversial aspects of the Nixon legacy, there is the less well-known and much more liberal side to Nixon that appears in his domestic policy. John Roy Price tells the story as only he can—as someone who worked for three years in the Nixon administration, initially as Counsel to Daniel Patrick Moynihan and later succeeding Moynihan as Executive Secretary of the presidentially chaired Council for Urban Affairs, a cabinet level group. The Last Liberal Republican not only tells a revisionist and insider story of the Nixon administration, but as a memoir it also tells the story of Price's own life as a moderate or liberal Republican who became part of Nixon's senior White House staff. Price recounts the struggle for the soul of the Republican Party in the disruptive decade of the 1960s, as politicians and strategists grappled with the victories of Kennedy and Johnson and looked for a way to steer the party away from the direction of Barry Goldwater. In addition to giving us an up-close-and-personal account of Moynihan, Price pulls back the curtain on the policy meetings and conversations that led to such domestic policies as the food stamp program, the Family Assistance Plan, and Nixon's health care proposals. Nixon was even the first to propose what we would now call universal basic income. Price shows in detail that Nixon's brand of Republicanism was a far cry from Ronald Reagan's mantra that "government is the problem." The Last Liberal Republican presents an intimate and often surprising portrait of Nixon, an insider's perspective on Washington politics, and an insightful personal memoir—but most of all it reminds people of a path no longer taken in the Republican Party"--~~

~~Book + Content Update Program Make the most of your new Windows 10 device—without needing to be a technical expert! This book is the fastest way to take control of Windows 10, and use it to create, connect, and discover... simplify and organize your whole life... learn more, play more, do more, live better!
