Every theology student has to write a research paper, but many do not know how to go about doing theological research. In this brief guide, Michael Kibbe introduces students to the basics of academic research, including how to gather and engage different sources, use online databases and bibliography software, and avoid common mistakes.

Mrs. Louise Mallard, afflicted with a heart condition, reflects on the death of her husband from the safety of her locked room. Originally published in Vogue magazine, “ The Story of an Hour ” was retitled as “ The Dream of an Hour, ” when it was published amid much controversy under its new title a year later in St. Louis Life. “ The Story of an Hour ” was adapted to film in The Joy That Kills by director Tina Rathbone, which was part of a PBS anthology called American Playhouse. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

This textbook guides students through rhetorical and assignment analysis, the writing process, researching, citing, rhetorical modes, and critical reading. Using accessible but rigorous readings by professionals throughout the college composition field, the Oregon Writes Writing Textbook aligns directly to the statewide writing outcomes for English Composition courses in Oregon. Created through a grant from Open Oregon in 2015-16, this book collects previously published articles, essays, and chapters released under Creative Commons licenses into one free textbook available for online access or print-on-demand.

day, when suddenly your teacher or supervisor lowers the boom: She wants a research paper, complete with footnotes and a list of sources. She wants accuracy, originality, and good grammar. And – gasp! – she wants ten pages! You may be 16 years old or 60 years old, but your reaction is the same: Help! Take heart. A research paper may seem daunting, but it's a far-from-impossible project to accomplish. Turning research into writing is actually quite easy, as long as you follow a few proven techniques. And that's where *Research Papers For Dummies* steps in to help. In this easy-to-understand guide, you find out how to search for information using both traditional printed sources and the electronic treasure troves of the Internet. You also discover how to take all those bits of information, discarding the irrelevant ones, and put them into a form that illustrates your point with clarity and originality. Here's just a sampling of the topics you'll find in *Research Papers For Dummies*: Types of research papers, from business reports to dissertations The basic ingredients of a paper: Introduction, body, conclusion, footnotes, and bibliography Note-taking methods while doing research Avoiding plagiarism and other research paper pitfalls Defining your thesis statement and choosing a structure for your paper Supporting your argument and drawing an insightful conclusion Revising and polishing your prose Top Ten lists on the best ways to begin your research online and in print *Research Papers For Dummies* also includes an appendix that's full of research paper ideas if you're stuck. If you're tasked with writing a research paper, chances are you already have a lot of demands on your time. You don't need another huge pile of papers to read. This book can actually save you time in the long run, because it gives you the easiest, fastest, and most successful methods for completing your paper.

George Orwell set out ' to make political writing into an art ' , and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell ' s essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Politics and the English Language*, the second in the Orwell ' s *Essays* series, Orwell takes aim at the language used in politics, which, he says, ' is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind ' . In an age where the language used in politics is constantly under the microscope, Orwell ' s *Politics and the English Language* is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today ' s most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Heather McGhee 's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world 's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can 't do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

This book provides a view into the groundbreaking application of ethnographic tools and techniques to the understanding of undergraduate students and their use of information. The publication describes findings of the work at the University of Rochester River Campus Libraries and provides insight into how academic librarians might use these techniques on their own campuses.

Provides information on stylistic aspects of research papers, theses, and dissertations, including sections on writing fundamentals, MLA documentation style, and copyright law
