The second in the My Blood Approves series begins with a tragedy that quickly complicates all of Alice's and Jack's plans for her to turn into a vampire. There is a lot more to the plot in Fate than in the first of the series; more action; more tension so that was really good.

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world. Step into the world of the Trylle, and prepare to be enchanted.... When Wendy Everly first discovers the truth about herself—that she's a changeling switched at birth—she knows her life will never be the same. Now she's about to learn that there's more to the story... She shares a closer connection to her Vittra rivals than she ever imagined—and they'll stop at nothing to lure her to their side. With the threat of war looming, her only hope of saving the Trylle is to master her magical powers—and marry an equally powerful royal. But that means walking away from Finn, her handsome bodyguard who's strictly off limits...and Loki, a Vittra prince with whom she shares a growing attraction. Torn between her heart and her people, between love and duty, Wendy must decide her fate. If she makes the wrong choice, she could lose everything, and everybody, she's ever wanted...in both worlds. As a special gift to readers, this book contains a new, never-before-published bonus story, "One Day, Three Ways," set in the magical world of the Trylle.

Being undead doesn't make life any easier for Alice Bonham. Her younger brother's love life is heating up, while hers is... more complicated. Mae is falling apart, her best friend Jane is addicted to vampire bites, and if Alice doesn't get her bloodlust under control, someone will end up dead. Alice volunteers for a rescue mission with Ezra. But going up against a pack of rabid vampires might be too much, even for him.
