It is important to note that in Final Fantasy I, you are only allowed to learn three magic spells of each level. You might notice, however, that there are four spells for each level available. That means that you will have to pick and choose which are going to be the most helpful. For the White and Black Mages, this isn't too difficult.

The Bestiary is an accessible list of all the enemies in the original Final Fantasy. It first appears in the Origins release and appears in all future versions of the game. The bestiary gives the player details on enemies they have previously defeated, and ordered roughly in the order they are encountered in the game. Unlike most bestiaries, the bestiary in the original Final Fantasy contains ...
