Friends of the Dusk is the thirteenth book in Phil Rickman's Merryly Watkins series, of which I've been a fan for many years. Although I enjoyed The House of Susan Lulham, a short 'extra' novella which preceded Friends of the Dusk, the last full-length Merryly Watkins book, The Magus of Hay, was probably my least favourite in the series - but I'm pleased to say I found Friends of the Dusk to be a real return to form.

Friends of the Dusk (Merryly Watkins, #13) by Phil Rickman
Friends of the Dusk is classic Merryly Watkins and a very enjoyable addition to the series. This time around Rickman takes on the vampire myth ☹ Herefordshire style. So not a 'classic' vampire exactly; more of a [peradventure the Lord has given power to the evil angel of the lost soul to move about in the dead corpse] sort of vampire.

Merryly's career suddenly thrown into deep uncertainty. Insecurity too at Gaol Street, as a cloud darkens the tentative happiness of Frannie Bliss and Annie Howe. No single novel could resolve all the issues that arise in Friends of the Dusk. Or at least no novel reflecting real life.
