But Red 's attempt to work a deal with the Lakers for White was not publicized (to my knowledge, anyway), so I was surprised when I came upon the " reflection " Jo Jo contributed in The Lost Memoirs of Johnny Most, which was published by long-time New England sportswriter Mike Carey and Most 's son Jamie in 2003 under the title High Above Courtside. [Alas, I 've never gotten my hands on a copy of Mark Bodanza 's 2012 bio of White, Make it Count.]

Partner of one of the most infamous anarchists of her time, Johann Most, Helene Minkin joined the anarchist movement after emigrating from Russia in 1888 with her father and sister. Framed as a reaction and corrective to Emma Goldman's Living My Life, Minkin's memoir provides a unique account of turn-of-the-century anarchism and immigrant life in the United States. Published in the Yiddish-language newspaper Forverts in 1932, this is its first English translation. Tom Goyens teaches American history at Salisbury University in Maryland. He is the author of Beer and Revolution: The German Anarchist Movement in New York City, 1880 – 1914.

The complete story of the team's winning season through articles, columns, and photos that first appeared in the pages of the Boston Herald.

Successful media relations and a sound communication strategy are essential for all sport organizations. Any successful manager working in sport must have a clear understanding of how the media works, as well as the practical skills to manage the communication process. Now in a fully revised and updated second edition, Sport and the Media: Managing the Nexus is still the only textbook to combine in-depth analysis of the rapidly developing sport media industry with a clear and straightforward guide to practical sport media management skills. The book explains the commercial relationships that exist between key media and sport organisations and how to apply a range of tools and strategies to promote the achievements of sport organisations. This updated edition includes a wider range of international examples and cases, as well as four completely new chapters covering new and social media, managing the media at major sports events, the work of the sports journalist, and the role of the sport media manager. The book's online resources have also been updated, with new lecture slides and teaching notes providing a complete package for instructors. Sport and the Media is an essential textbook for any degree level course on sport and the media, sport media management or sport communication, and invaluable reading for any sport media or sport management practitioner looking to improve their professional skills.

A comprehensive introduction to the workings of the business, Sportscasters/Sportscasting: Principles and Practices explains all of the information essential to anyone looking to begin a career in sports media. This unique volume explores topics in print and broadcast media, sports psychology, technology issues, politics and legalities, ethics, and even the role of sports and sportscasting in society. Other topics discussed include the historical development and economics of sports and sportscasting, sports spectators, sports controversies, sociological perspectives, and sports journalism. Sportscasters/Sportscasting: Principles and Practices is filled with knowledge essential to the craft of sportscasting, including numerous appendices containing acronyms and biographic information about over 200 sportscasters, and a complete Instructor à e(tm)s Manual with exercises to help guide students toward mastery of the topic. Please visit http://LKFullerSport.com for more information and to download the Instructor's Manual.

This part memoir, part sports story (Wall Street Journal) from the New York Times bestselling author of The Big Bam chronicles the clash of NBA titans over seven riveting games--Celtics versus Lakers, Russell versus Chamberlain--covered by one young reporter. Welcome to the 1969 NBA Finals! It's 1969, and the greatest basketball player of all time--Bill Russell--and his juggernaut Boston Celtics squeak through one more playoff run and land in the NBA Finals again. Russell's opponent is the fearsome seven-foot, one-inch next-generation superstar, Wilt Chamberlain, recently traded to the Los Angeles Lakers to form the league's first dream team. Bill Russell and John Havlicek versus Chamberlain, Jerry West, and Elgin Baylor. Covering this epic series is a wide-eyed young sports writer named Leigh Montville, who would go on to become an award-winning legend himself at The Boston Globe and Sports Illustrated, and who is sent to L.A. (for the first time!) to write about his luminous heroes, the biggest of big men. What follows is a raucous, colorful, joyous account of one of the greatest seven-game series in NBA history: seven breathtaking, see-saw games, highlight-reel moments from an unprecedented cast of future Hall of Famers, all set against the tumult of the late sixties and the burgeoning of a league on its way to becoming a billion-dollar industry. Tall Men, Short Shorts is a masterpiece of sports journalism with a charming touch of personal memoir. Leigh Montville has crafted his most entertaining book yet, richly enshrining luminous players and moments at a unique American time.

Set against the backdrop of professional basketball's golden age during the 1960s, a study focuses on the rivalry between Bill Russell and Wilt Chamberlain, which came to an epic climax during the 1969 championship.

Bob Cousy is one of the greatest figures in American sports history. He was a first-team All-NBA player ten years in a row, the MVP of the 1957 season. He led the NBA in assists for eight straight years. He played in six NBA championships with the Boston Celtics. In a sense, he was the first modern player and flashy playmaker, the first improviser, the first player to look inside the boundaries of a basketball court and see endless possibilities -- jazz musician as point guard. To teammates, coaches, and opponents, he was the greatest basketball player of all time. But to millions of fans, he was simply "Cooz." In Cousy: His Life, Career, and the Birth of Big-Time Basketball, veteran sportswriter Bill Reynolds -- with the full cooperation of Bob Cousy -- reveals the man often called "the Babe Ruth of basketball," the dazzling athlete who brought "showtime basketball" to the NBA and changed the game forever. Bob Cousy, the originator of the behind-

the-back dribble and the no-look pass, joined the Boston Celtics in 1950, when the fledgling NBA was still competing with rodeo and professional wrestling for column inches in the sports pages. When Cousy retired thirteen years later, the NBA had joined baseball and football as a premier American entertainment. This absorbing portrait not only recounts Cousy's record-breaking career but also reveals the superstar's little-known personal life -- from his impoverished childhood in New York City, when he was ironically cut from his high school basketball team in both his freshman and sophomore years, to his eventful life after his playing career, when he coached Boston College and the Cincinnati Royal in the NBA. Readers will discover the mind of a man so tortured by the fear of failure that he had recurring nightmares, walked in his sleep, and developed a nervous tic. Before Jerry West and Oscar Robertson, before Kareem and Dr. J., before the Lakers brought showtime basketball to the national stage, the Celtics dominated the NBA for more than a decade. And Cousy was the team's biggest star. As Reynolds examines the inner workings of a truly one-of-a-kind athlete, Cousy: His Life, Career, and the Birth of Big-Time Basketball examines as never before an era of basketball largely unknown to modern fans, with portraits of many of the NBA's vintage superstars, such as Bill Russell, Wilt Chamberlain, and Elgin Baylor, as well as perhaps the greatest basketball coach of all time -- the Boston Celtics' Red Auerbach.
