Boydston, Jeanne. Home and Work: Housework, Wages, and the Ideology of Labor in the Early Republic. Oxford: Oxford University Press, 1990. Thesis: Boydston argues that women in Antebellum America, along with the society surrounding them, believed that there was little to no economic value to the work they did in the home (xii).

Jeanne Boydston's book *Home and Work: Housework, Wages, and the Ideology of Labor in the Early Republic* () discusses the lives of New England women from the colonial period to post-modernization. Attitudes toward women's labor in the home saw several distinct shifts within this period, which it is Boydston's primary objective to reveal.

4. Wages Against Housework enormous. To view wages for housework as a thing rather than a perspective is to detach the end result of our struggle from the struggle itself and to miss its significance in demystifying and subverting the role to which women have been confined in capitalist society. When we view wages for housework in this reductive
