Metaphor and Thought. Ortony, Andrew, Ed. In the essays contained in this volume, philosophers, psychologists, linguists, and educators raise questions about the viability of the traditional distinction between the literal and the metaphorical. The essays reflect important parallel developments in the fields represented but also illustrate a convergence of approaches to a common problem by different disciplines.

ERIC - ED182771 - Metaphor and Thought., 1979-Sep-27

The constructivist approach seems to entail an important role for metaphor in both language and thought, but it also tends to undermine the distinction be-

Metaphors We Live By is a book by George Lakoff and Mark Johnson published in 1980. [1] [2] The book suggests metaphor is a tool that enables people to use what they know about their direct physical and social experiences to understand more abstract things like work, time, mental activity and feelings.
