Thoughts on Diverse and ...

Like its predecessor, "More Joel on
Software", by Joel Spolsky, is a
collection of essays that had been
published in the "Joel on Software"
blog. The quality of these essays is
more uneven than in the first book, but
there are nonetheless some true
gems.

Containing a collection of all--new
articles from the original, More Joel on
Software has even more of an edge
than the original, and the tips for
running a business or managing
people have far broader application
than the software industry. We feel it is
safe to say that this is the most useful
book you will buy this year.
