UPDATE | definition in the Cambridge English Dictionary
The New International Version (NIV) is an English translation of the Bible first published in 1978 by Biblica (formerly the International Bible Society). The NIV was published to meet the need for a modern translation done by Bible scholars using the earliest, highest quality manuscripts available. Of equal importance was that the Bible be expressed in broadly understood modern English.

New International Version - Wikipedia

The New International Version began with one man's vision for a faithful rendering of the Bible in contemporary English and today is the world's best selling modern-English translation of the Bible that delivers the best combination of accuracy and readability. The NIV delivers the best balance of accuracy to the original languages and ...
