Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans--with their daily activities, concerns, and habits--and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.

This edition of Book III of Eutropius's Breviarium ab urbe condita is designed to be a student's first encounter with authentic, unabridged Latin prose. Written in a simple and direct style, the Breviarium covers the period of Roman history that students find the most interesting--the Second Punic War fought against Carthage--and the original Latin text is supplemented with considerable learning support. Full annotations on every page, detailed commentary on grammar and syntax, and a glossary designed specifically for the text allow students to build both their confidence and their reading skills. The commentary in the back of the book is cross-referenced to the following commonly used textbooks: • Wheelock's Latin, 6th Edition • Latin: An Intensive Course by Moreland and Fleischer • Ecce Romani II, 3rd Edition• Latin for Americans, Level 2 • Jenney's Second Year Latin • Allen and Greenough's New Latin Grammar Macrons have been added to the entire text in accordance with the vowel quantities used in the Oxford Latin Dictionary. Additional resources include an unannotated version of the text for classroom use, supplementary passages in English from other ancient authors, and appendixes with a timeline of events and maps and battle plans. The text may be used in secondary schools and colleges as early as the first year of study. The copious translation help, notes, and cross-references also make it ideal for independent learners.

The goal of this work is to present an up-to-date successor to Keuhner-Stegmann's *Ausführliche Grammatik der lateinischen Sprache*, taking into account new editions of Latin texts with better knowledge of the manuscripts, the publication and study of texts unknown in Keuhner-Stegmann's time, recent linguistic studies, and new methods and models in linguistics.

The classic, single-volume introductory Latin textbook, introduced in 1956 and still the bestselling and most highly regarded textbook of its kind. Wheelock's Latin, sixth edition, revised, has all the features that have made it the best-selling single-volume beginning Latin textbook, many of them revised and expanded: o 40 chapters with grammatical explanations and readings based on ancient Roman authors o Self-tutorial exercises with an answer key for independent study o An extensive English-Latin/ Latin-English vocabulary section o A rich selection of original Latin readings -- unlike other textbooks which contain primarily made-up Latin texts o Etymological aids Also includes maps of the Mediterranean, Italy and the Aegean area, as well as numerous photographs illustrating aspects of classical culture, mythology, and historical and literary figures presented in the chapter readings. o The leading self-tutorial Latin program. Also great for college and accelerated high school courses. o Wheelock's Latin is the top-selling Latin reference in the US. o Interest and enrolments in Latin have been steadily rising in the U.S. for the past 20 years. One-half million people are currently enrolled in Latin classes, and at least 10,000 teachers, professors and graduate assistants are teaching the language in America.
