~~Formative Assessment &  
Monitoring Student Progress~~  
Progress Monitoring In an  
RTI system, students in  
interventions have their  
progress monitored  
frequently, every week or  
two for elementary students.  
This provides data that  
allows team members to gauge  
the student's response to  
the intervention and to  
adjust or intensify the  
intervention as needed.

Require formal periodic progress reports. To monitor how effectively group members are working together on a project, require group members or a group leader to submit (in writing) or present (orally) progress reports on a regular schedule, such as every week or every two weeks. If you ask groups to report on their progress to the entire class, this gives students the opportunity to solicit and receive advice from and share resources and ideas with other groups.
