Reading the first Space Team book left me wanting more, and The Wrath of Vajazzle is no different. Cal Carver and his crew cracks me the fonk up, again in the good way. And soft spoken, soft hearted, soft everything Splurt is my favorite which is why I can't wait to read Barry Hutchisons' next adventure.

The Snarkiest Sci-Fi Series in the Galaxy is Back! After saving an alien race and its god from a sentient zombie virus, Cal Carver and the crew of the Dread Ship Shatner are

feeling pretty pleased with themselves. Unfortunately, the creator of the zombie virus is out for revenge, and has recruited the galaxy's deadliest - and oldest - assassin, Lady Vajazzle, to hunt Space Team down. But when Vajazzle discovers the crew is under the protection of a wolf-like species known as the Greyx, she is forced to implement a Plan B so diabolical it threatens to plunge the entire star system into chaos. With time running out, Cal must find a way to outmaneuver and outgun the galaxy's greatest killer before she murders his friends, butchers the Greyx, and buys the whole galaxy a one-way ticket to total annihilation. Featuring murderous senior citizens, a moon of death, and a pointy stick that could change the fate of the universe, Space Team: The Wrath of Vajazzle is the second relentlessly funny science fiction book in the bestselling Space Team series by award-winning author, Barry J. Hutchison.

After Earth is all-but wiped out by alien invaders, petty criminal, Cal Carver, finds himself abducted and thrown into a team of intergalactic criminals in this bestselling sci-fi comedy from award-winning author, Barry J. Hutchison.

Accidental space adventurer Cal Carver has had a rough few months. He's fought spider-

dragons, battled space clowns, and been repeatedly tortured by the galaxy's oldest assassin. And don't even get him started on the squirrel-tits. Now all that's behind him, Cal just wants to kick back and relax. The universe, however, has other ideas. He and his crew find themselves in possession of the Symmorium Sentience, a once god-like entity now stripped of its power. The Sentience needs help to return home and restore the Symmorium species, which recently found itself the subject of an unfortunate genocide. But with dark forces seeking to turn the Sentience's power into a planet-pulverizing weapon, the team's trek across the galaxy becomes a desperate race against time, with the fate of the very cosmos at stake. Featuring awkward space-dates, gene-splicing villains, and a packet of coconut fingers as old as time itself, *Space Team: Sentiented to Death* is the eleventh book in the bestselling Space Team series by multi-award-winning author Barry J. Hutchison, and perfect for fans of funny stuff happening in space.

The third part of the laugh-out-loud sci-fi adventure series from the author critics are calling 'the new Douglas Adams.' Cal Carver, petty-criminal turned space adventurer, is on a suicide mission - and he really hates suicide missions. But this time it's to save his best buddy, Splurt, who has been taken prisoner by the the elderly assassin, Lady

Vajazzle, and the evil Zertex corporation. When they discover that the ship carrying Splurt never made it to Zertex, their search leads them through a wormhole to a mysterious planet unlike any they have seen before. Will they survive this strange new world and finally find their friend? And, more importantly, does he even want to be found? Packed with gladiator battles, angry bees, a big thing blowing up, and the return of the galaxy's oldest assassin, Space Team: The Search for Splurt is the rip-roaring conclusion to the first Space Team trilogy.

"On par with Douglas Adams" -

Readcommendations Cal Carver and his Space Team may have lost their ship, but they haven't lost their knack for attracting trouble. Just hours after setting foot on a new planet, Cal and the crew find themselves caught up in an interplanetary kidnapping plot. Reuniting the suspiciously-silent young victim with her parents on their far-off home world will make Cal rich beyond his wildest dreams. Unfortunately, half the pirates and bounty hunters in the galaxy have the same idea, and they're more than happy to take the girl by force. With their experimental new ship plagued by problems, a deranged space-warlord determined to watch Cal eating his own arm, and a whole lot of galaxy to get through, Space Team is about to embark on its most dangerous mission yet. The fourth hilarious instalment in the bestselling Space

Team scifi adventure series, and the perfect jumping-on point for new readers.

"A laugh-out-loud space adventure you don't want to miss!" - P. Dixon, Amazon They may have recently averted a full-scale galactic war, but Cal Carver and Space Team just can't stay out of trouble. When a 'Weird Space Thing™' threatens to destroy planet Earth, Cal is determined to stop it. But when they get there, they find the place is still swarming with parasitic extra-terrestrial bugs, and that there isn't a whole lot left to save. While battling an unexpected ghost of the past, Cal is abducted by aliens. Again. Brought before their covert High Council, Cal is given a choice: save his Earth and doom countless others to oblivion, or sacrifice it, so that parallel Earths may live. Cal opts for none of the above, but his proposed solution might well doom not just his universe, but all universes everywhere. Featuring familiar strangers, unfamiliar friends, and an angry talking sheep named Duggie, Return of the Dead Guy is the reality-shattering sixth book in the Space Team saga.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and

many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
