"The Course of Love is a return to the form that made Mr. de Botton's name in the mid-1990s...love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods and insecurities to the page." -The New York TimesThe

The Course of Love: A Novel by Alain de Botton

"Love means admiration for qualities in the lover that promise to correct our weaknesses and imbalances; love is a search for

completion." - Alain de Botton, The Course of Love An interesting approach to the genre. This could have been an interesting book that explores relationships and love through all the stages, but Botton enjoys approaching ...

The Course of Love by Alain de Botton - Goodreads

The Course of Love is a novel that explores not so much the start of love, as its maintenance over time; the way our ideals bend and reform under the pressures of an average existence, and the magnificent, sometimes frightening, developments we can make as we slowly realise that love is in essence a skill we need to learn rather than an enthusiasm we simply experience.

In Edinburgh, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as "happily ever after." The Course of Love explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortlessnes of falling into romantic love, and the course of life thereafter.

### The Course of Love on Apple Books

In *A Course of Love*, Jesus says: "This time we take a direct approach, an approach that seems at first to leave behind abstract learning and the complex mechanisms of the mind that so betray you. We take a step away from intellect, the pride of the ego, and approach this final learning through the realm of the heart."

"An engrossing tale [that] provides plenty of food for thought" (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of *How Proust Can Change Your Life* tracks the beautifully complicated arc of a romantic partnership. We all know the headiness and excitement of the early days of love. But what comes after? In Edinburgh, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as "happily ever after." *The Course of Love* explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortless of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an annotation and a guide to what we are reading. As *The New York Times* says, "The *Course of Love* is a return to the form that made Mr. de Botton's name in the mid-1990s...love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page." This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in love. Fresh, visceral, and utterly compelling, *The Course of Love* is a provocative and life-affirming novel for everyone who believes in love. "There's no writer alive like de Botton, and his latest ambitious undertaking is as enlightening and humanizing as his previous works" (Chicago Tribune).

We all know the headiness and excitement of the early days of love. But what comes after? In *Edinburgh*, a couple, Rabih and Kirsten, fall in love. They get married, they have children but no long-term relationship is as simple as happily ever after. "The Course of Love" is a novel that explores what happens after the birth of love, what it takes to maintain love, and what happens to our original ideals under the pressures of an average existence.

Arguing that the heart knows more than the mind, the author offers a series of teachings, based on *A Course in Miracles*, in the art of loving another person. 25,000 first printing.

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND O: THE OPRAH MAGAZINE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. "My father's wife died. My mother said we should drive down to his place and see what might be in it for us." So begins this remarkable novel by Amy Bloom, whose critically acclaimed *Away* was called "a literary triumph" (The New York Times). *Lucky Us* is a brilliantly written, deeply moving, fantastically funny novel of love, heartbreak, and luck. Disappointed by their families, Iris, the hopeful star and Eva the sidekick, journey through 1940s America in search of fame and fortune. Iris's ambitions take the pair across the America of Reinvention in a stolen station wagon, from small-town Ohio to an unexpected and sensuous Hollywood, and to the jazz clubs and golden mansions of Long Island. With their friends in high and low places, Iris and Eva stumble and shine though a landscape of big dreams, scandals, betrayals, and war. Filled with gorgeous writing, memorable characters, and surprising events, *Lucky Us* is a thrilling and resonant novel about success and failure, good luck and bad, the creation of a family, and the pleasures and inevitable perils of family life, conventional and otherwise. From Brooklyn's beauty parlors to London's West End, a group of unforgettable people love, lie, cheat and survive in this story of our fragile, absurd, heroic species. Praise for *Lucky Us* "Lucky Us is a remarkable accomplishment. One waits a long time for a novel of this scope and dimension, replete with surgically drawn characters, a mix of comedy and tragedy that borders on the miraculous, and sentences that should be in a sentence museum. Amy Bloom is a treasure."—Michael Cunningham "Exquisite . . . a short, vibrant book about all kinds of people creating all kinds of serial, improvisatory lives."—The New York Times "Bighearted, rambunctious . . . a bustling tale of American reinvention . . . If America has a Victor Hugo, it is Amy Bloom, whose picaresque novels roam the world, plumb the human heart and send characters into wild roulettes of kismet and calamity."—The Washington Post "Bloom's crisp, delicious prose gives [*Lucky Us*] the feel of sprawling, brawling life itself. . . . *Lucky Us* is a sister act, which means a double dose of sauce and naughtiness from the brilliant Amy Bloom."—The Oregonian "A tasty summer read that will leave you smiling . . . Broken hearts [are] held together by lipstick, wisecracks and the enduring love of

sisters.”—USA Today “Exquisitely imagined . . . [a] grand adventure.”—O: The Oprah Magazine “Marvelous picaresque entertainment . . . a festival of joy and terror and lust and amazement that resolves itself here, warts and all, in a kind of crystalline Mozartean clarity of vision.”—Elle

The bestselling author of *The Architecture of Happiness* and *How Proust Can Change Your Life* revisits his utterly charming debut book, *Essays in Love*. The narrator is smitten by Chloe on a Paris-to-London flight, and by the time they've reached the luggage carousel he knows he is in love. He loves her chestnut hair, watery green eyes, the gap that makes her teeth Kantian and not Platonic, and her views on Heidegger's *Being and Time* – but he hates her taste in shoes. What makes this book extraordinary is the depth with which the emotions involved in the relationship are analysed. Love comes under the philosophical microscope. Plotting the course of their affair from the initial delirium of infatuation to the depths of suicidal despair, through a fit of anhedonia – defined in medical texts as a disease resulting from the terror brought on by the threat of utter happiness – and finally through the terrorist tactics employed when the beloved begins, inexplicably, to drift away, *Essays in Love* is filled with profound and witty observations on the pain and exhilaration of love. An entire chapter is devoted to the nuances and subtexts of an initial date, while another chapter mulls over the question of how and when to say “I love you.” With allusions to Aristotle, Sartre, Wittgenstein, and Groucho Marx, de Botton has plotted an imaginative and microscopically detailed romance.

It seems as though every week there s a new app available on your smartphone promising dates aplenty just swipe right. A mate, on the other hand, is becoming harder and harder to find. The age-old quest for true love requires more effort than ever before. Let s face it: Dating is work. Which, as it happens, is exactly where it began, in the nineteenth century as prostitution. In *Labor of Love*, Moira Weigel dives into the secret history of dating while holding up a mirror to the contemporary dating landscape, revealing why we date the way we do and explaining why it feels so much like work. This isn't a guide to getting the guy; there are no ridiculous rules to follow in *Labor of Love*. This is a brilliant, fresh, and utterly original approach to help us understand how dating was invented and, hopefully, to lead us closer to the happy ending that it promises. Rights Catalog Text.

When Ravin first said ‘I love you . . .’ he meant it forever. The world has known this through Ravin's bestselling novel; *I Too Had a Love Story*. But did Ravin's story really end on the last page of that book? On Valentine's Day; a radio station in Chandigarh hosts a very special romantic chat show. Ravin and his three best friends are invited as guests to talk about Ravin's love story. But surprisingly everyone apart from Ravin turns up. As the show goes live; there is only one question in every listener's mind: what has happened to

Ravin? To answer this question the three friends begin reading from a handwritten copy of Ravin's incomplete second book—the entire city listens breathlessly; unable to believe the revelations that follow.

In this absorbing book, renowned psychologist Robert J. Sternberg presents a psychological approach to human relationships that reveals how and why people fall in and out of love. Fascinating reading for anyone who wants to learn more about love, Cupid's Arrow draws on fields ranging from history to cognitive science to folklore, offering a comprehensive account of love in its many forms. Grounded in Sternberg's own 'triangular theory', the book explores the many varieties of love as diffe

Alain de Botton combines two unlikely genres--literary biography and self-help manual--in the hilarious and unexpectedly practical How Proust Can Change Your Life. Who would have thought that Marcel Proust, one of the most important writers of our century, could provide us with such a rich source of insight into how best to live life? Proust understood that the essence and value of life was the sum of its everyday parts. As relevant today as they were at the turn of the century, Proust's life and work are transformed here into a no-nonsense guide to, among other things, enjoying your vacation, reviving a relationship, achieving original and unclichéd articulation, being a good host, recognizing love, and understanding why you should never sleep with someone on a first date. It took de Botton to find the inspirational in Proust's essays, letters and fiction and, perhaps even more surprising, to draw out a vivid and clarifying portrait of the master from between the lines of his work. Here is Proust as we have never seen or read him before: witty, intelligent, pragmatic. He might well change your life.

Magnus Bane and Alec Lightwood might fall in love—but first they have a first date. One of ten adventures in The Bane Chronicles. When Magnus Bane, warlock, meets Alec Lightwood, Shadowhunter, sparks fly. And what happens on their first date lights a flame... This standalone e-only short story illuminates the life of the enigmatic Magnus Bane, whose alluring personality populates the pages of the #1 New York Times bestselling series The Mortal Instruments and The Infernal Devices. This story in The Bane Chronicles, The Course of True Love (and First Dates), is written by Cassandra Clare.
